Naidoc Medal

Congratulations to McKayla Donnellan who is the winner of the 2018 NAIDOC Medal of Excellence Colouring In /Poem Writing Competition—this was one of only 25 awarded across the State. The medal was presented to a very excited McKayla at assembly this morning. McKayla's photo will be included in the Prime Ministers NAIDOC Week Final Report. The ultimate aim of these initiatives was to provide our kids with a greater understanding on the importance of friendship and cultural diversity. Well done McKayla!

Leadership Group Student Voice —JSC

Congratulations to Bill Morrison who has been awarded the "Sports Shed Helper" certificate at assembly this morning. A focus for JSC has been the organisation of the Sports Sheds equipment and encouraging students to be responsible for packing up their equipment used at play times. Well done Bill!

Individual Asthma Action Plans

As per DET regulations, parents of children diagnosed with asthma must provide the school with an Asthma Action Plan, completed by the student's medical practitioner. The plan must outline the student's known triggers and the emergency procedures to be taken in the event of an asthma flare up or attack.
The Asthma Action Plan for Victorian schools should be completed/ reviewed annually for each student with asthma. Please see Mrs Gloster with any updates

Kinder Transition Program

The Kinder Kids will be with us until the end of lunch on Wednesday of this week. Parents will be picking up their children at 1.30pm.

Lisa's Chaplain Chats

Balance isn't fitting everything in. Its starting with what's important and letting the rest fall as it will. Erica Layne

Sometimes we can fall into a trap of worrying about and trying to do everything that's unimportant and the real important things get forgotten. Often it takes reflection to work out what is significant to us and take steps to make these a priority.
