**Parents and Friends Meeting—3rd May**

We will be having a meeting on Tuesday 3rd May commencing at 3.30pm. Please attend if possible.

**School Shade Grant—Department of Health & Human Services**

We are happy to report that we have been shortlisted to stage 2 of the application process for a Shade Grant. The original application for a shade structure over the new playground equipment, was submitted a month ago and things are looking good for a successful outcome. Stage 2 applications close on the 20th May and we will keep you posted.

**Horse & Cart Visit—Harry’s Trek**

A traveller on Horse and Cart is travelling from Murray Bridge to Lightning Ridge to raise funds for Craniofacial Australia. We have received information that Harry will be going through town some time tomorrow and will be calling in at the school and staying in town overnight. Other details have been posted on the School Website, Underbool Community Events and Underbool Primary School Parents Group Facebook sites or Harry’s Trek Charity Organisation. Donation details can be found on this site.

**Prep Bags**

We have finally received all of our Prep Bags for our new students this year and these have been sent home today. The bags contain some valuable information for families regarding safety, dental health, sun protection and many other topics. There is a great chart for healthy lunchbox choices with lots of great ideas.

**Healthy Lunch and Snack Choices**

The students are collecting wrappers and packets from the snacks brought to school and are investigating the salt and sugar content in each of these. These are going to be tabled and the students will look for healthier alternatives and substitutes to these snacks. These will be displayed outside Mrs Glosters room.
RFDS Flight Simulator

We had a visit from the Flying Doctor Flight Simulator and we now have some photos for this great visit.
