**School Council**

A reminder to all Councillors that we are having a School Council Meeting on Wednesday of this week—12th August, at 8pm. Once again our apologies for the changes in dates for this meeting.

**Interschool Athletics—14th August**

The Interschool Athletic Sports are to be held on Friday of this week at the Secondary College Oval. Students are to be transported to and from the sports by their parents and are not required at school at any time on Friday. Students must be at the oval not later than 9.30am and must be in their Underbool Primary School uniform. **Please make sure you clearly mark any item of clothing that may be removed during the day—it's not fun searching for lost clothing at the end of the day!!** There is food available for purchase on the day—sandwiches, rolls and cold drinks. We have attached a copy of the program to the newsletter today—please bring it with you on Friday.

**Hurdle Events**

As has been advertised—our school is in charge of the running of the hurdle events on Friday and I have attached a copy of the parent roster. Thank you to Helen Gloster who has kindly offered to be the timer for the entire day, so this eliminates the need for 1 family per event. Please make sure you bring this timetable with you on Friday as well as the sports program.

**National Science Week—15th—23rd August**

The School Theme for Science Week 2015 is "Making Waves—the Science of Light—based on the International Year of Light. Students will be involved in a range of fun activities during the week and we will conclude the week with "Wear Your Favourite Colour Friday" on 21st August.
