School Council Meeting—August 31st
Our next meeting is to be held on Wednesday of next week beginning at 7pm. Please mark this on your calendar.

Farm Safety Expo
Students in the Senior and Middle Rooms will be attending an extra curricular activity “the Farm Safety Expo” at Morrish’s farm tomorrow. Students will be travelling by bus and must not be late for school as we will be leaving just after 9am. Students must bring a cut lunch and a drink and some snacks. Please note: Yr 6 students will be on transition at Ouyen P-12 College.

Sports News
Unfortunately due to bad weather, our Mini Olympics to be held last Friday had to be cancelled. Good luck to everyone in Ouyen this Friday.

Interschool Athletics
These are to be held at the Ouyen P-12 College Oval on Friday of this week—26th August. Senior students at the College have been placed as “starters” for all events on Friday so we have altered our roster and this has been attached to the newsletter.

Please take note of the following important items:
Parents are to transport their own children to and from the sports and must be at the oval no later than 9.30am.
All students are to wear the official Underbool PS uniform which includes logo red polo shirt and logo navy windcheater and navy/black shorts (students may wear skins or the like). Track pants can be worn over shorts in the morning when it is cold.
PLEASE MAKE SURE THAT ALL ITEMS OF CLOTHING THAT MAY BE REMOVED DURING THE DAY HAVE BEEN CLEARLY MARKED WITH YOUR CHILD’S NAME!!
Sandwiches and salad rolls and drinks will be available to purchase for lunch if you wish otherwise you must take your own. Make sure you also pack extra drinks and lots of snacks for your children. Please note—there is no specific lunch break during the day, so students will directed by age group leaders to go to their bags at a suitable time. Students cannot leave their group without first getting permission.
from the group leader. Good luck everyone and have a great day!

**Cartoonist Workshop**
The whole school travelled to Woomelang PS yesterday for a Cartoonist workshop. By all reports this was an extremely successful day and the students enjoyed it immensely. It sounds like Mrs Stone has some hidden talents as a cartoonist! A big thank you to our wonderful students who once again displayed model behaviour and manners and all should be very proud of them selves. Well done kids and to the staff who have set this expected standard.

**Homework Contracts**
Senior Room—Contract No 20—Due Monday 29th August
Middle Room—Contract No 23 will be completed in class this week—no homework.
Junior Room—Contract No 20—Due Monday 29th August- (none for Preps this week)

**Pattinson House Visit**
Mrs Stone and Francey took the whole school (no year 6 students as they were at the P-12 College) to Pattinson House to visit the residents and share morning tea with them on Wednesday of last week. The students took in a number of board games to play and also joined in the exercise class. Our students once again displayed perfect behaviour, manners and compassion as they interacted with the residents. We should all be very proud of our students and we received a lot of very favourable feedback from the Pattinson House staff. We will be planning further visits in the future.

**Mobile Library**
At the mobile library today many students have received fines for overdue books and DVDs. These fines have been placed on their white docket at the top—please check. Please note—books are borrowed for 4 weeks, and DVDs 2 weeks. We go fortnightly and dates for the term are placed on the newsletter every week. If weather impacts on our visit, we always gather the books up that day and return them ourselves.

Parents of senior students please note— as your children will be away on camp when we next visit the mobile library, please make sure books and DVDs are dropped into school and we will return them on the day for them.

**Year 6’s—Last Day of Term**
This term’s theme is “Footy Colours Day”. This is our only fun day that is to raise funds to fight cancer. Students can wear any sporting code clothing—eg local footy or netball uniforms, AFL teams, soccer, rugby etc. The day will be filled with fun activities and we are asking everyone to make a
gold coin donation for us to send off to the Cancer Council.

*Thermomix Raffle*—PLEASE return sold tickets and money to school now but KEEP selling other tickets and return these to school by Monday 12th September.

*Pattinson House Visit & Cartoon Workshop*
Year 6 students—transition at Underbool Primary School during Home Economics.
