THIS WEEKS BIRTHDAYS

A Great BIG Happy Birthday to Francey who is having a birthday on Sunday. We hope you have a great day Francey.

**Newsletter****2017*****Bricks and Mortar Update***

We are happy to report that Phase 1—Planning—for our Bricks and Mortar Maintenance Funding has been approved and we are now moving into Phase 2 of this process. Scott Brown has been appointed our Project Manager and he will be sourcing contractors and quotes for the works planned. We will be concentrating on making our buildings free from leaks and making them energy efficient for both heating, cooling and lighting.

Student Safety Concerns

It has been brought to the Region's attention that a number of schools in our area have reported incidences of students being approached by unknown persons before and after school. Please remind your children to be vigilant while walking to and from school and don't talk to strangers under any circumstances. Please contact the school if you have any concerns.

Maggie Farrar Workshop

Mrs Stone will be attending a two day workshop in Melbourne on Tuesday and Wednesday of this week. The workshop is run by the CEP and will explore how rural and remote clusters can foster positive partnerships together and work towards common goals and increased education outcomes. She will be travelling with other members of the Mallee Education Cluster (Manangatang, Murrayville, Tyrell, Werrimull and Ouyen P-12 Colleges).

Parent Surveys

All families will receive an email today with their individual link to the online Parent Survey. The survey is to be completed by Sunday 27th August and should take approximately 15 minutes to complete. When you receive your email, please click on the link or "copy and paste" the link into your browser rather than retype it as it is easy to make a mistake when doing this. If you don't have access to the internet or a computer please contact the school and we can arrange for you to use a school computer. **If you haven't received your email or have any questions please don't hesitate to give us a call.**

Parents and Friends Meeting

Our next meeting will be held on Monday 14th August at 7pm.

Shade Sail Replacement

We have been given permission from VMIA Insurance to accept the Shade Sail Quote from The Gazebo and Shade Centre. Hopefully we will have our replacement in the near future.

Mini Olympics

Tempy Primary School will be joining us on Friday 18th August for the “Mini Olympics”. Mrs Gloster has been busy organising this event to ensure everything runs smoothly. The team lists are on the following page and students should come dressed in their team colours. We will be having a sausage sizzle for lunch and will be looking for volunteers to cook. Thank you to Helen, Doug and Timothy for marking the lanes on the oval over the weekend. We still require some parents to mark out the Shot Putt and Discus boundaries. If you are this person, thank you!

The following “jobs” will need to be completed so the students can begin practise—

High Jump mat needs to be shifted from the container to the oval

Top Dress/fill holes in the running track

Long Jump pit needs to be weeded, raked and topped up with sand.

If you are able to help out it would be greatly appreciated.

Mobile Library

We will be visiting the Mobile Library tomorrow so please bring your books etc for exchange.

Thinking Caps

Well done to everyone for going to the trouble of making their “Thinking Caps”. We have some wonderful creations which have lead to some very creative writing—

”It all started on a cold and stormy morning when lightning hit the barn. It was so loud it woke up the farmer. ” - Izzie

“The fog lifted.....” - Frankie

“The chooks were so scared that they almost jumped out of their skin” - Lydia

“They pushed and pushed but it didn't work” - Jess
