We have had a visit today from the Departments Responsible Pet Ownership. This visit reinforces to the students the importance of looking after our pets correctly and make sure they are safe.

Somers Camp

Could parents of students who are going to the Somers Camp in September please send their payment to school or pay directly into the school's bank account—Camp cost is \$250 per student.

Playground Update

We are thrilled to report that we have been successful in our application for Shade Sails to go over the new playground equipment and \$26367.64 has been paid into our bank account. Wow how good is that. This grant was applied for through the Department of Health and Human Services.

Working Bee

We will be having a working bee on Sunday 31st July commencing at 10am to get the site ready for the playground which will be delivered and installed on Monday 1st August. We need as many men in attendance as possible please—many hands make light work! The existing fort and slide and a tree will have to be removed. There are numerous other jobs to be done on the list. We will be providing a BBQ lunch for those who attend.

Due to numbers on the survey sent out, we have decided to continue with the Tiqbiz app this year. For those of you who have already downloaded it, you will need to make sure you update the program due to changes made to the program in the holidays. Also please check your banner set up, so when notices come through you receive an alert or you may be unaware of any messages coming your way.

Please make sure that all members of the School Council have downloaded the app and joined the School Council page, so we can utilise this app to its full potential. If you have misplaced the password needed to join please let me know.

Also the Parents and Friends President and Secretary have administration rights and are able to add notices to their section.

If you need any assistance with any of the above please feel free to come in and ask.

We have attached further information to today's newsletter.
