A reminder to all parents that we are having a working bee tomorrow afternoon from 3pm onwards. We hope to complete a few jobs on the “list” and to do a general tidy up to have the school looking spick and span for the footy home match on the 24th June. Please bring along any tools, shovels, rakes, wheel barrows and trailers you may think would be useful. Looking forward to seeing you tomorrow.

***Annual Bus Inspections—Nunga***

Thank you to Pennie who has kindly offered to drive the Walpeup bus to Nunga for the Annual Inspection on Thursday the 22th June. We still require another driver so if you are able to assist please contact Molly asap. If we don't get another driver one of the staff will have to take time out of the classroom to do this.

***Cross Country Results***

Congratulations to Kate, Eleanor and Jack who all competed in the Regional Cross Country at St Arnaud last week. Whilst not finishing in the top ten they did a wonderful job. Well done kids.

***UDSSA Lightning Premierships***

These are to be held on **Friday 16th June (this week)** and **parents are expected to get their own children to and from the event.** Students have chosen whether or not they wish to participate in this event. Year 4/5 girls - Zoe, Eleanor and Kate—will be involved in the B Grade Netball (combining with Tempy) and Grade 6 boys—Jack, Caleb and Thomas—will be involved in the Football (combining with Ouyen). Information will be sent home with the students tomorrow.

Thank you Nicole Magnisalis who has kindly offered to supervise the netball girls.

**Don't forget to fill in  
the calendar when you  
water.** Please arrange  
your swap if necessary.

***Bricks and Mortar Grant***

Over the next few weeks we will be looking at our existing buildings and learning space and then hopefully come up with a plan that will best suit our needs. At this stage we have identified the ceiling in Mrs Kates room, as needing attention as it leaks. Proposed solution—to lower the ceiling so it is the same height as the adjoining room and to fix the leaks. Parents are welcome to comment or share their ideas with us.

***Equipment to Give Away***

Mrs Stone has been very busy tidying up the “Computer Server Room” and we have several computer items to give away. There are a number of lap-top bags, computer screens and various other bits and bobs, set up on the benches in the corridor. Please feel free to come and pick up anything you want—if you change your mind you can't bring them back!!!!!! We don't want them!!!

***Cricket Selections***

Congratulations to Jack Wisneske who has been selected to be part of the Under 14 Mallee Murray Cricket Region Trial & Development squad for 2017/18.

***Mobile Library / Bush  
Kinder***

Students in years 3—6 visited the Mobile Library this morning and then participated in the Bush Kinder in the park next to the Library. This is the second Bush Kinder visit and the kids are really enjoying their time with the little kids!

***Prep Checks***

The school nurse will be visiting the school to do the Prep Checks before the end of term. Questionnaires have been sent home with the 2017 Prep students today and are to be returned by Thursday of this week—15th June.

***It's Not Ok To Be Away***

Our focus for this year is to encourage all students to be at school when ever possible and that “its not ok to be away”. We had 13 students who had attended every day at the end of term 1 but at this stage we have only 5 students who have 100% attendance this term. While we understand circumstances such as illness, medical appointments and family commitments happen, we encourage all parents to make sure their children attend school whenever possible.
