THIS WEEKS BIRTHDAYS

A great big Happy birthday to Breanna who will be 9 on Saturday. We hope you have a great day Breanna.

**Newsletter****2017*****Working Bee Thank You***

Thank you to all families who attended the working bee on Wednesday of last week. It was wonderful to see so many families represented and show so much pride in our school surrounds. Our school will be showcased on Saturday of this week for our first home game. Lets show the visitors that we are great at delivering education as well as a good game of footy!! Thank you all once again, greatly appreciated.

Prep Checks

The Prep medical questionnaires were sent home last week and must be returned ASAP. The school nurse will be conducting the Prep Checks on Tuesday of next week—27th June—not sure of the time as yet. If you have any questions regarding this please contact Helen.

Lightning Premierships

Well done to the 4,5 & 6 students who participated in the Lightning Premierships at Red Cliffs on Friday. Our teams had a very successful day and everyone enjoyed mixing with the students from Ouyen and Tempy. The boys won 3 out of their 4 games and the girls won all of their games. Well done kids!!! Thank you to Nicole and Pennie for getting the students to and from Red Cliffs and to Nicole for supervising and coaching the netball girls. As is always the case, we wouldn't be able to participate in these events without parents help.

Annual Bus Inspections—Nunga

Thank you to Pennie who has kindly offered to drive the Walpeup bus to Nunga for the Annual Inspection on Thursday the 22th June (this week). **We still require another driver so if you are able to assist please contact Molly asap. If we don't get another driver one of the staff will have to take time out of the classroom to do this.**

End of Term 2

A reminder to all families that the last day of term (30th June) is a pupil free day. Helen and Molly will be attending a Sunraysia Cluster Day in Mildura. We will be having our "Junior School Council End of Term" activities on Thursday. More information in next week's newsletter.

Thank you to Cherie who will be picking up the bread, sausages and sauce from Ouyen. We are asking parents to make the goodies to sell with tea and coffee and need these to be at the school by 9am on Saturday or dropped off on Friday if this is too early. Thank you in anticipation!

Isobel & Harry's Homework

Isobel and Harry were playing with bubbles in the fog and mist yesterday morning and discovered that they were not popping and lasted a long time. They even got them to land on their shoes. They read up on it and discovered that it was because of the moisture in the air and the dew on the grass, the damp conditions are perfect for bubbles. Thank you Isobel and Harry for sharing this very important discovery. We will all have to try this when we have another foggy morning!
