Water Issues—School Grounds

We are currently experiencing several water issues at school, the major one is a leak of 160 litres per hour. We are spending a lot of time trying to pin point the leak but it is proving to be very difficult. It would be appreciated if the mains water taps or taps other than garden taps, are not turned on or off anywhere in the school without first discussing or letting Bec or Matt Brown know. If taps are turned off and we don't know, eg the taps behind the outside water cooler, then we are unaware and don't understand why water isn't going to the bubblers.

Sunraysia Cross Country

Good luck to all students who will be competing in the Cross Country tomorrow. All students must be in school uniform and remember to take a drink (2 & 3 kms is a long way!!) Students are to locate Mrs Stone when they arrive.

Maureen's Last Day

As advertised in last week's newsletter, Friday 27th May will be Maureen's last day at our school. We will be very sad to see her go and have decided to have a sausage sizzle for lunch to say farewell. Parents and members of the community are invited to come along and say good bye to Maureen and share in the lunch. The school will be supplying all food.

Lightning Premierships 2016

Due to the changes made this year, only year 6 students are being offered the chance to compete in the Lightning Premierships. They will be joining the Ouyen P-12 College students to participate in the Football and Netball teams. This competition will be held on Tuesday 14th June in Mildura. We don't, at present, have any details regarding time or venue as yet. As this date clashes with our Pupil Free Day, parents will have to transport their

own children to Mildura or they can travel with the Ouyen P-12 students on the bus. Further details will be sent home with the year 6's as we receive them.

Buses to Nunga!

We have both buses booked for the annual bus inspection at Nunga on the 23rd June at 12 noon and we require 2 drivers. As there will be no children on board, anyone who has a truck licence will be able to drive the buses to Nunga. It would be greatly appreciated if we could have 2 volunteers. Please contact the school if you are one of these!!

Business Managers Conference

I am back home again after attending the Business Managers Conference in Melbourne last week. We had some very informative speakers and lots of very valuable PD workshops. Below are just a few of the ideas and book details that I came home with.

One of the speakers was Dr Justin Coulson who has been on Breakfast Television, The Project and many other media outlets. Justin has a PHD in physiology and specialises in parenting. I have purchased his book "21 Days To A Happier Family". His website is www.happyfamilies.com.au where you can purchase books, get ideas and read his blog. You can also text "happy" to 0418638103 and then you will be asked to submit your email address and then receive his free newsletters.

"I Can't" means I don't want to!

"Talking about our problems is one of our greatest addictions. Break the habit and talk about the joys you have in your life instead"

"Parenthood can be a jungle, but Justin's advice and simple strategies will help find that path back to sanity, stability and smiling kids" -
