Students in the middle room are using the app—Maths RockX—for their Times Tables and are all really enjoying it. Parents are able to purchase this app for use at home if they wish—please note this is not a free app. If you are unable to locate the app, contact Molly for assistance.

Harry & His Horses

We had a visit from Harry and his horses on Thursday of last week and the children all really enjoyed their time with the team. They asked lots of questions and found out lots of answers! Harry is travelling from Murray Bridge to Lightning Ridge raising money throughout his journey for Crani-facial Australia. The money will help those who have been born with facial deformities or those, who through an accident, have received severe facial injuries. Well done Harry - apparently Harry called to see the emus at Torrita and they got scared and jumped the fence. Thank you to Louise Lovitt & kids who escorted the emus back down the highway (with lights flashing) delivering them back to their paddock. Well done Louise and kids.
