**Newsletter****2016*****School Council Meeting***

A reminder to all councillors that we will be having a School Council Meeting on Wednesday of this week—June 1st commencing at 8pm. Please attend if possible.

***Policies for Review***

I have emailed copies of School Policies to be reviewed at the meeting on Wednesday night. I apologise for sending these so late—they were in my drafts ready to send last week but due to some unexpected events I had last week off!!! Once again my apologies.

***Regional Cross Country***

Good luck to Kate and Eleanor who will be competing in the Regional Cross Country in St Arnaud tomorrow. We hope you both do well and run a personal best time.

***Playground Update***

As you have most likely heard, the Parents and Friends have decided to put their hard earned fundraising money towards new playground equipment for the students. A huge thank you to Sonia, Prue and Pennie who were the appointed subcommittee to research and order the equipment. We have paid a 50% deposit to Imagination Play which will see production start. We will be required to make a further 2 payments as the equipment progresses and is delivered sometime in third term.

***School Oval Update***

The oval is looking great and we now have new powder coated goal posts and new safety pads, all of which were purchased with grants we applied for. Well done all involved.

***Water Leaks***

Some of the school water pipes have been upgraded and hopefully it is the end of our leaks. We have been losing large volumes of water over the past few months and it has been extremely difficult to find the exact location. Thank you to everyone who attended the working bee on Sunday, it was greatly appreciated.
