**Rotating Dinner**
Congratulations to the Parents and Friends for raising approximately $1500.00 from the Rotating Dinner on the 30th September. A huge thank you to everyone who donated food, drinks and their homes for the evening.

**Kinder Transition Program**
Thank you to the two Helens’ who have organised the Kinder Transition Program for 2016. This will begin on Thursday of this week when the Prep and One children will walk to the Underbool Early Childhood Centre for morning tea and a play from 10.15—11.30am. The children are to bring a piece of fruit to share and a water bottle.

**Summer Footwear**
As the days begin to get hotter??? and little feet get hot and sweaty, students may require to wear some more appropriate footwear. While shoes need to be cooler they also need to provide sufficient foot support. Appropriate shoes will keep their feet safe in the school yard while running around during playtime and lunch time and also during PE and Sport. Sandals need to have as many straps as possible so as to provide good coverage of the feet. Mesh type “sketches breathe” or something similar may be a good alternative as they are both cool and protective at the same time. Any concerns or questions please come and ask.
