BARR—Bushfire At Risk Register

As our school is defined as a BARR School we are being reminded that we must all be vigilant with the bushfire risk at this time of the year as we head towards summer. Although it is wet and cold now this will finish soon and the increased growth of grass in and around our properties is seen as a risk. I have attached the Departments Code Red Article regarding this to the newsletter and it would be appreciated if it was kept on your fridge as a reminder of what to do and to remain vigilant.

Working With Children Reminder**Child Safety Standards & Working With Children Checks**

Due to updated Department regulations, all parents and volunteers who engage in child related work must have a current Working with Children Check. This check is free of charge for volunteers and all parents are encouraged to obtain this card. As we give preference to parents of prep students to go on the whole school camp, we encourage these parents in particular to have this check completed before camp next year. All documentation that you receive must be sighted and copied at school for our records. If you already have a WWCC please make sure we have sighted this and have a copy on file at school. Thank you in anticipation.

Rotating Dinner

Huge thank you to the Parents and Friends for organising the Rotating Dinner on Friday night. This was a great night which was enjoyed by all who attended.

P & F Thermomix Raffle

Congratulations to Molly who's name was drawn out of the 400 tickets sold for the Thermomix Raffle. There was great excitement at the end of term and Molly is looking forward to some serious cooking with her new equipment. The raffle managed to raise approximately \$2170.00 for the school, a wonderful effort with a very exciting outcome!

No More Hot Lunches!

A reminder to everyone that the pie warmer is now in the cupboard and it is back to cut lunches! (feels like something hot would have been nice today!!). Hopefully you will all still be able to come up with something exciting for the lunch boxes each day. Some ideas are—cold pizza, quiche, mini quiches, English muffins topped with all sorts of pizza type goodies, salad with cold leftover roast meat and vegies or chicken, dry biscuits (salada or rice cakes) with various toppings—try vegemite, avocado and cheese, ham cheese and tomato—all very nice! If you have any other ideas please let me know and I will share them with you via the newsletter.

Last Terms Extra Curricula Activities (for your interest)

Following is a list of the extra curricula the students attended during last term: Pet Ownership, Pattinson House Visit, Cartoonist Workshop, Farm Safety Day, UDSSA Athletics, Roald Dahl Day, Footy Colours Day, 5/6 Transition Camp and Somers Camp—a very busy 3rd term!

Footy Tipping

Congratulations to Jack Wisneske who won the kids section of the Footy Tipping Comp and the three in equal second place, Finn, Samuel and Jayden. Mrs Gloster won the staff section Footy Tipping Competition. Well done everyone.

Mobile Library

Weather permitting, we will be visiting the mobile library tomorrow. There are several students who don't bring or don't have a "library bag" and it would be appreciated if everyone one could have one please.

Mowing Roster

Could the two families rostered each month, please organise between themselves how they wish to do the mowing. We would appreciate the mowing done a minimum of twice for the month. A couple of ideas could be:

- Divide area into two sections and allocate one family for each area
- One family to mow the entire area first mowing and second family entire area for the second mow.
- What ever suits as long as it gets done!

As Chris Richardson is rostered on for November and is no longer at the school we are looking for a volunteer to take his place. Thank you in anticipation.
