**Newsletter****2017*****Welcome Back Everyone***

Wow!! Term 4 has just started and we are wondering where has the year gone?? We hope you all had a wonderful and restful holiday and are now ready for a very busy term and end of year.

New School Appointment

It is with great pleasure we announce that Lisa Godden—soon to be Lisa Renkin, has been appointed as our School Welfare Officer through Access Ministries as a .6 employee. Lisa will start at the school on 23rd October and will work Monday's, Wednesday's and Friday's—she will also be working at Manangatang on Tuesday's and Thursday's. This appointment will continue in 2018 and hopefully funding will be made available through the Education Department to continue this position after this date. Lisa will be a very valuable member of our team and we look forward to working with her. Please help us make Lisa feel welcome to our school community.

School Council Meeting—Prior to Harvest

We will be having a short School Council Meeting on Wednesday of next week. Some items to be discussed are: Staffing 2018, Cash Budget—2018, pupil free date. Looking forward to seeing you there.

Bi Annual Parents and Friends Garden Walk

If you haven't already registered for this great event please do so before Friday and bring along other interested people! Cost is \$20 per person . We are looking forward to visiting some beautiful local gardens during Friday morning and we sincerely thank those who have been so generous to allow us to visit. The P & F will be supplying a beautiful morning tea which we will enjoy at Amanda Hayter's garden from 10.30—11.30am. Please remember to supply the food as per the previous list. I have attached this list to the newsletter again today as a reminder. Looking forward to seeing you all on Friday!

Walk To School Month

This week is the beginning of "Walk To School Month" and we are encouraging all students and their parents to participate—maybe not Breanna, Caleb or Izzie!!!! Or not all the way—perhaps you could walk a little way!!

Every October VicHealth encourages all primary school kids to walk or ride to school and aim to have 60 minutes of physical activity daily. Students are reminded of the importance to keep safe while sharing roads with cars. Please use the footpaths where available and if you have to use the road make sure you do this safely.

School Working Bee

A huge thank you to the parents who completed the paving between the Art Room and the sports shed over the holidays—it looks amazing and will provide a much better and safer option for the students. Helen will now be able to complete the garden with the addition of some fruit trees and other plants. Watch this space!

Water Leak!

A huge thank you to Matt Brown and his helpers for fixing a major leak at the school over the holidays. We have noticed a “damp spot” for some time now, but when “damp” become “wet” it was time for some action. Thanks again Matt. If anyone has time and a big wrench we have a dripping tap in the staff room that desperately needs a new washer. Helen is watering the garden with the water we are collecting!!!!

Toilet Upgrade

As part of our School Maintenance Funding, the toilets have been upgraded over the holidays. We have had new cisterns, toilet bowls and urinal installed and the existing internal walls have been replaced with easy clean laminated panels. Thank you to Nathan from Pengelly Plumbing for doing this work for us.

Regional Athletics—Bendigo

Good luck to Kate and Eleanor who will be participating in the Regional Athletics in Bendigo on Monday of next week. Eleanor will be competing in the High Jump and Kate in the Sprint. Good luck girls, you have both already achieved so much by qualifying to go to Bendigo.

Year 5/6 Lake Cullulleraine Camp 23—27 October

Students in Years 5 & 6 will be attending the Lake Cullulleraine Camp from the 23rd to 27th October. Any more details will be sent home with students as they come to hand. Parents are reminded that School Council provides each student with a 50% subsidy towards the cost of the camp. Conveyance Allowance funds will be used to cover the cost of the camp for those families concerned.

No More Hot Lunches

The pie warmer is having a much needed rest and is back in the cupboard until next year. It's back to good old sandwiches!!!. If anyone has any interesting lunch ideas they would like to share please send them in and I will advertise them in the newsletter. Some ideas for lunch could in-

clude—wraps, savoury muffins and pikelets, salad rolls, cold pizza, salad in a bowl, dip and vegies and biscuits/crisp bread.

No More Shop Lunches

A reminder that we will no longer have Friday lunches from the Walpy Shop. If anyone has any other ideas for Friday lunches please feel free to discuss them with us.

Mobile Library

We will be visiting the Mobile Library tomorrow so please bring your books, DVD's etc for exchange.

Book Club

Order forms have been sent home today and are due to be returned on Wednesday 18th October.
