

ARTS

POLICY

Rationale:

- The Arts are practised and valued in our complex and diverse society as important means for the communication of ideas, feelings and beliefs and as major sources of intellectual, physical, spiritual and emotional development, understanding and enjoyment. Comprehensive and sequential learning experiences in the Arts during schooling provide individuals with necessary skills, understandings and confidence to participate fully in the Arts throughout their lives.

Aims:

Through an Arts program students:

- develop their intellectual, imaginative and expressive potential
- develop skills, techniques and a knowledge of processes as a basis for personal expression
- create, perform or present arts works
- develop critical skills and an understanding of aesthetics
- develop understanding of how the arts evolve within social, cultural and historical contexts
- enjoy participating in the processes of creating, presenting and responding to the arts.

Implementation:

- The Arts is an essential learning area of the Australian Curriculum. It comprises dance, drama, media arts, music and visual arts.
- All Foundation to Year 10 students at our school will study sequential Arts courses based upon the content descriptions contained within the Australian Curriculum Arts learning area.
- All teachers are required to work with their respective professional learning teams, sections and faculties to contribute to the development and implementation of a viable, guaranteed and sequential Arts course for all students.
- The school will appoint an Arts coordinator who will coordinate the development and implementation of Arts across our school.
- Student's individual abilities will be measured and reported against the expected Australian Curriculum achievement standards, particularly at the commencement of each unit of work, and learning opportunities must be provided that cater for the identified needs of each student.
- Budgets that provide for the needs of the various Arts programs will be developed by the Arts coordinator in consultation with Arts staff members and resourced by school council.
- The Arts teachers will be allocated the responsibility of coordinating the school's annual theatrical production, as well as being responsible for coordinating the various community musical and performing arts activities and arts displays that occur each year.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle.
