## Lisa's Chaplain Chats

Lisa is away this week at a conference in Melbourne.

Always be yourself, express yourself, have faith in yourself, do not go out and look for a successful personality and duplicate it. Bruce Lee

The greatest gift that we can give to anybody or any situation is to be our own authentic person. It seems easier to be the person that the world appears to want us to be. We are consistently given messages about how we should look and who we should be and can sometimes feel that we are to imitate each other like robots, to be all the same. We have all been created with unique gifts and strengths to contribute to our world in a way that only we can. A humanity that is devoid of diversity is hardly human at all.

## Help Needed Please!

Could someone please help us to secure the windmill to the ground in the vegie garden. If unsecured the windmill could inflict some nasty injuries!!! If you are able to help out please contact Helen.

## Junior School Council News

The Junior School Council have been thinking up a storm! We have decided to have a Market Day during the last week of term 2 and we will be collecting gold coin donations for Cystic Fibrosis. We are hoping to have cakes, art work and lots of other good stuff. Students are encouraged to wear "crazy hair" for the cause and footy colours for fun. The remaining funds will go towards new furniture for our classroom and corridor. More information to follow.....Sincerely your captains Zoe & Clayton.

## Flu Injections

All members of staff have had "Flu Injections" today. It is hoped that this will prevent any flu events happening at the school!!
