**Newsletter****2018*****School Council Meeting***

As we didn't have a quorum at the meeting on Monday of last week, our meeting was held at 8.30am on Friday morning. As this is a very busy time of the year the earlier time seem to suit a few more councillors. Thank you to those who were able to attend.

***Parents and Friends Meeting***

Our next meeting is to be held on Friday 18th May at 8.30am. Hope to see you there.

***Principal Induction Program***

Molly will be attending the Principal Induction Program held in North Melbourne on Friday of this week. It will be a great opportunity to meet all of the other newly appointed Principals from across the state and to share their stories and experiences. Enjoy your PD Molly.

***Gastroenteritis***

As we have several students who have had gastro we are sending home an information sheet to all families. Please note students are to be excluded from school for 24 hours after *vomiting and/or their last loose bowel motion.*

***Attitudes to School—Student Survey***

The Attitudes to School—Student Survey will be conducted between May 7th and May 21st. The survey takes about 20 minutes to complete and will be done during class time. The survey results will be reported back to the school before the end of term 2.

***Footy Catering***

A big thank you to everyone who helped out with the catering at the Footy games held at the school on Saturday. We still have 2 games to go. Thank you all once again. There are still some containers at school, please call and pick them up.

***Sunraysia South Cross Country***

Good luck to the students who are participating in the Cross Country tomorrow at the Aerodrome Ovals. Students will need to be there in plenty of time prior to their event—please check the program which we have re-

sent home today. Students are to wear their school T Shirts and preferred running shorts or pants. The next step is St Arnaud—good luck everyone!! A big thank you to all parents who are transporting their children to this event.

## Auskick Clinic

The Footy Clinic conducted by 8 Essendon Players held at Blackburn Park will begin at 10.30am and finish at 12.15pm. Students attending the clinic will not have to come to school in the morning but we will see you back at school at lunch time. Please make sure you wear your school uniform and either runners or footy boots.

## Shade Sail Damage

As you will no doubt be aware, another shade sail was damaged in the storm the day before Anzac Day. We are in the process of making yet another claim through VMIA Insurance and organising a replacement shade sail from the Gazebo and Shade Centre. Our purchase of extra insurance last year for our outdoor equipment has proven to be very wise and timely!! A Big thank you to Simon Morrison for removing the damaged sail prior to the football on Saturday.

## Mobile Library

We will be going to the Mobile Library tomorrow so please bring along your books etc for exchange. It appears we have some outstanding books against our name and as we have not located the lost items, the school will pay the fine that has accumulated. It would be appreciated if you could go through your shelves and cupboards at home in case you have any library books that belong to the Mobile Library. Good luck!!

## Chaplains Chats

When you arise in the morning, think of what a precious privilege it is to be alive- to breathe, to think, to enjoy, to love. Marcus Aurelius

It is sometimes too easy to be caught up in our own dramas and worries and we can forget what we have been blessed with. Even in very dark times of our lives, we can find some hope and beauty. Reflecting on the bigger picture, we can develop a new understanding of our purpose and our place within the whole jig saw puzzle of life. Living can be a very simple thing when we can focus on what's important and give gratitude for the many blessings that we have been given.
