Lisa's Chaplain Chats

If you live long enough, you'll make mistakes. But if you learn from them, you'll be a better person. It's how you handle adversity, not how it affects you. The main thing is never quit, never quit, never quit. William J. Clinton

Too often we hesitate or avoid, making decisions or trying something new due to a fear of making a mistake and living with the regret later. Sometimes we choose to stay in our comfort zone rather than risk taking the jump into the unknown, but it is ok to make mistakes and those mistakes become part of our life journey and experience. Mistakes make us who we are, and we can learn from them and it is acceptable for us to admit to the mistake we have made, make reparations and move on.

Somers Camp—Preliminary Notice

Grade 5 & 6 Parents—Please inform Mrs Stone by the end of the week if you child is interested in attending Somers Camp.

Lightning Premierships

The students travelled to Red cliffs on Wednesday of last week to participate in the Lightning Premierships. The girls had enough numbers to form a netball team from Underbool and Frankie and Finn joined with Tempy students as part of the hockey team. Whilst not collecting a trophy, the girls made it to the semi finals and all had a great day. Thank you to Mrs Stone and Francey.

Help Required in the Garden

Helen is hoping someone can safely secure the new windmill and rain gauge in the garden please. If you are this person please contact Helen. If you happen to be coming in to the school in a ute could you please return the bread crates (stored in the art room) left after the Bakery Drive, to the Pink Lakes Pantry. Thank you in anticipation.
