**WHO'S DOING
WHAT THIS WEEK?**

Molly, Fiona & Hel-
en have been com-
pleting Inclusion and
Diversity eLearning
Modules today and
have been replaced
by Carla & Raelene.

Molly will be driving
the students in Years
4-6 to the Cricket on
Thursday.

**Newsletter****2018*****Thank You***

A GREAT BIG Thank You to Camo, Casey, Sonia and the kids for cleaning away unwanted plants, cleaning up the yard and cleaning the windows over the weekend. It is greatly appreciated and makes for a more enjoyable and pleasant place for the kids to be in.

T20 Cricket—Thursday 15th November

A reminder that students in years 4-6 are participating in the T20 Cricket at Blackburn Park on Thursday of this week. We will be travelling to Ouyen on the bus. If you haven't already returned your permission slip, please do so by tomorrow. We will be leaving at 9am sharp so please don't be late to school. Hopefully the carnival will finish by 2pm so we will be back at school by 3pm. Students are to wear their clean school uniform, bring their own lunch, plenty of drinks, apply sunscreen and a hat. Please make sure your children have appropriate footwear.

***What's Happening this Week?***

Staff have been completing the Inclusion and Diversity eLearning Modules today as required by the Department. Carla and Raelene have replaced the staff for the day. CRT costs have been funded by the Department.

Virtual Video Conferencing Equipment

We have had IBM Technicians at school today to install our new Virtual Video Conferencing Equipment. This has been set up in the library and can be accessed wirelessly by all other devices in the school. This will be a very valuable administration and curriculum tool. This equipment has been supplied by the Department to all schools in the state. We have had a brief lesson this morning and will be attending an in service later this term or early next year.

***Kinder Transition***

The Kinder Kids will be at school at 8.50am on Wednesday of this week and will be staying for the morning session and recess.

App Of The Week

We are going to introduce an “App Of The Week” in the newsletter each week. (Look out for these in the side panel on page 2). These “Apps” have educational value and we look forward to your feedback. This week’s App is “Learning Potential”. If you come across any Educational Apps that you think might be of value, please let us know so we can share them in the Newsletter.

Lisa's Chaplain Chats

Sometimes you have to let go of the picture of what you thought life would be like and learn to find joy in the story, you are actually living. Unknown

We all have had set ideas of how our lives or different aspects of our lives are meant to run. We have our plans and work towards them and while this can be a good thing, it is also wise to acknowledge that unexpected turns can also occur. When obstacles hinder or even end our plans, in hindsight, we can see that good things have occurred because of the changes.
