A reminder to all members of the school community and the community in general to get behind Ruby and her family and come along to the Night In on Friday of this week. The night will begin at 6pm at Geoff and Wendy's garden and you will need to bring a chair, drinks and nibbles to share. The most important thing to bring is your "purse" filled with lots of money so you are able to share in and bid on all of the great items which will be raffled, auctioned and whatever else the committee can think of. If you haven't already given your donated items or description of these to the committee please do so asap to help them with their advertising. As it sounds like it might be a bit cooler make sure you bring your coat!!! Look forward to seeing you there.

The concert will follow the usual format—concert, Santa, speeches and presentations followed by a lovely supper. Please invite your family and friends to come along and enjoy this night with the students.

### **Lisa's Chaplain Chats**

"There are always flowers for those who wish to see them" Henri Matisse

Even when we feel that we are at our lowest, there is always something to admire and appreciate. Our amazing world of nature can be always be counted on to give us a gift of beauty to help lighten our hearts. Sunsets and sunrises can remind us that everyday has a beginning and an ending. We can enjoy a sunrise and know that with the new day, new opportunities and moments of appreciation can occur. However to see the beauty and the flowers, sometimes we have to consciously look for them.

### *Senior Presentations*

Students in the senior room have been working on their Australian Identity Presentations since late in Term 3. Over the past week all children have had the opportunity to present their talk and slideshow to their peers and special visitors. Every student put a great deal of time and effort into their research and spoke with confidence. It looked as though they all enjoyed the opportunity to show how hard they had been working. It has also been a wonderful opportunity to use our new smart TV as we become more familiar with its capabilities. The students are looking forward to their next opportunity for public speaking and a chance to work on the areas where they can improve. A special thank you to parents and grandparents who were able to come along, it has been amazing to see every student welcome someone special to hear their presentation. Not all visitors heard all the talks, we have enjoyed learning about some remarkable people over the past week.
