

# CURRICULUM

## POLICY

### Rationale:

- Implementation of the Australian Curriculum/Victorian Curriculum across the school will provide all students with a sequential curriculum framework that guides their learning, as well providing measures of learning achievement that allow students, teachers and parents the opportunity to assess student performance against expected achievement standards.

### Aims:

- To optimise student learning through the implementation of the Australian Curriculum/ Victorian Curriculum across each learning area from Prep to Year 6 in a manner consistent with departmental requirements and locally identified needs.

### Implementation:

- Our school is committed to the successful implementation of each of the Australian Curriculum/ Victorian Curriculum learning areas from Prep to Year 6.
- School Council will have an active Curriculum Committee in order to oversee curriculum direction and Australian Curriculum/ Victorian Curriculum implementation across the school.
- Whole school professional development opportunities will be provided, as well as personal professional development plans developed that cater for the Australian Curriculum/ Victorian Curriculum understanding and implementation needs of each staff member.
- The community will be kept well informed of the Australian Curriculum/ Victorian Curriculum, with open evenings to explain structure and implementation of the new curriculum, regular bulletins in the newsletter, and updates of school progress in implementing the Australian Curriculum made available.
- Our strategic plan will incorporate audits of existing curriculum areas against the Australian Curriculum/ Victorian Curriculum and will require faculties to work closely together to achieve consistency with curriculum implementation.
- All teachers are required to work with their respective teams, sections or faculties to contribute to the development and implementation of guaranteed and viable Australian Curriculum/ Victorian Curriculum based courses for all students, and to implement student needs based lessons using agreed planning templates, assessment tools and lesson structures.
- Student achievement will be measured and reported to students, parents, Department of Education and the wider community against the Australian Curriculum/ Victorian Curriculum achievement standards, in each of the learning areas.
- All staff will participate in the collection of student achievement data, and all staff will have input into school decisions resulting from interpretations of student achievement data.
- Implementation of the Australian Curriculum/ Victorian Curriculum will be a key performance indicator of each staff member's annual performance review.
- School council will provide adequate resources for the implementation of the Australian Curriculum/ Victorian Curriculum and associated professional development etc.

### Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle.
