We acknowledge the Aboriginal and Torres Strait Islander peoples the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.

The "Grower" Books

Our school is one of 2000 recipients of Alice Mabin's books—"The Grower, Heartbeat of Australia, and "The Grower, The Roots of Australia—*Al Mabin Photography*—just amazing! This set of books is proudly donated by John Nicoletti to enable young Australians to connect with where their food and fibre comes from. As an adolescent John left home with \$200 to his name and carved out a great life for himself in agriculture in WA. John is walking proof that anything is possible and hopes that, through these books, he can inspire the farmers of tomorrow by highlighting the importance of Australia's agriculture industry and the amazing career opportunities it provides. The Grower set of books is valued at \$198.00. You can search Alice on Facebook and find out more about her and her fantastic books.
