**Newsletter****2020****STAYING****APART****KEEPS****US****TOGETHER*****Pupil Free Day - Friday 14th August -***

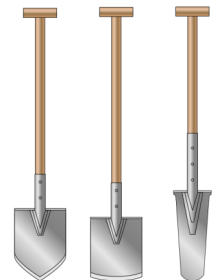

A reminder that Friday is a pupil free day and no students are to attend school on that day. This was set by School Council prior to Stage 3 restrictions. Staff will be using the day to complete Professional Development tasks in OHS and Catherine and Miss Morrish will be attending an online Graduates workshop.

Molly— Leave

Molly will be taking leave as of Thursday this week for the remainder of Term 3. Her replacement (unknown at this stage) will begin on Thursday.

Contract Works

Please be advised that Ryan Vallance will be on-site at the front of the school during the week to construct the outdoor classroom/pergola. Safety measures will be in place to ensure any students on-site will not be near the work site.

***Remote & Flexible Learning***

We are having some students attending on-site and some working remotely. The google platforms are providing a good platform for students and staff to be connecting and communicating during their learning in Literacy and Maths. If students are working remotely they can join the Google meet sessions that will be open each morning for students to work alongside their classmates on-site and to receive support and guidance from the classroom teacher.

Thank you to all staff for preparing home learning packs in such short notice. We will prepare weeks 6,7,8 learning packs and they will be provided to students

School Council Meetings

Due to COVID-19 schools are only required to have six School Council meetings for the year. As we are up to date we will look to have our next meeting during Term 4 in the hope that the restrictions currently in place are lifted and things are somewhat 'normal' again. Thank you to councillors who have persevered with face to face mask meetings and accessing meetings by Zoom.

Please note....our meeting scheduled for 2.30pm today has been cancelled.

Virtual Italian Lessons - Term 3

Italian classes will continue to be delivered by Isabella remotely each Thursday morning. These lessons will be recorded and placed on the students Google stream. Students can access the lessons whether they are on-site or learning remotely. As they are recorded they can be viewed at any time. Activities are differentiated for group 1 and group 2. If you have any questions regarding the lessons please contact Catherine.
