We are all looking forward to a great and very different evening on Friday. The “Night On The Green” will celebrate this years student’s achievements with some musical items and Year 6 Graduation Ceremonies. Congratulations to Finn, Kasey, Aurora, Frankie, Isobel and Millie for completing their final year of primary education. It has been a pleasure watching you all grow into the wonderful students you are and we wish you all the best at Ouyen P-12 College in 2021.

Families are asked to bring along chairs, shade, nibbles and your friends, to share in this special night. Families are asked to sit in their groups and adhere to the State Government’s current COVID 19 regulations—social distancing of 1.5 metres.

**Please arrive at the oval from 6.30pm, ready for the evening to begin at 7pm.**

There **will not** be a Santa sack this year- however Santa will make an appearance on the night with lollies for the children.

***Free Dress—Friday***

Students are asked to come in free dress on Friday so their uniforms are all nice and clean for Friday’s “Night On The Green”.

***End Of Term Activities***

Grade 6 will coordinate a Fun Day on Monday the 14th of December and PowerPoint presentations will take place. From 15<sup>th</sup>-18<sup>th</sup> staff will be at the school, however no formal learning will be taking place. It will be the parents decision as to whether they send their children.

***School Reports***

Reports will be handed out to students on Monday the 14<sup>th</sup> of December. If your children will not be at school on this day please contact your child’s teacher to make other arrangements.

## School Contact Numbers

School—50946342

Gaby—0429 336539

Fiona—0429 922600

Ashlee—0427 221514

Colleen—0407 946376

Francey—0439 999654

Catherine 0429946225

*We acknowledge the Aboriginal and Torres Strait Islander peoples the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.*

## Transition

It was great to see the students back at school today after their exciting time at Ouyen P-12 College last week. There were lots of stories and experiences to share and we are really grateful that the students got to participate in this really valuable program.

## Year 4,5 & 6 Kris Kringle

Students in Years 4,5 & 6 have been allocated a student who is to receive their gift at the end of term. There is a \$20 limit on these gifts. Thank you to parents for your co operation.

## School Mobile Phone—0478 662 394

We have purchased a mobile phone exclusively for school use and this will be operational as of Monday next week. Parents will be asked to make contact with the school only on this device and not on the staff's personal phones. Gaby will have the phone with her over the holidays. Parents are asked to use the phone for students absences, early pick ups, special requests or any questions/queries they may have related to the school.

## Swimming Safety Program

We will be visiting the pool on Thursday, December the 10th for our Swimming Safety Program 1.30—3pm. Students may be dismissed from the pool at the end of the program—thank you to all families who have returned the permission forms. All students will need to bring their bathers, towel, rashie and goggles if required. **If students require special sunscreen please bring your own.** All parents have indicated on the permission forms, that their children are to be dismissed from the pool. Thank you.

## This Weeks

### Birthdays

No Birthdays this week.

Mowing Roster

Thank you Matt Day.

December—Vinnie Burns

## Enviro Edu

We will be having a visit from the Enviro Edu Program tomorrow, commencing at 11.30am. We are looking forward to seeing lots of hand reared animals up close.

Enviro EDU is passionate about conservation management, particularly in relation to threatened species and are involved in the captive breeding of a number of threatened reptile and mammal species. EnviroEDU offers 'wildlife in the classroom experiences' – a wonderful opportunity for children to get up close and personal (and safely touch and hold) a diverse range of Australia's native and threatened species.
