

2023 STUDENT REQUISITES AND CONTRIBUTIONS

Dear Parents/Carers,

The staff at Underbool Primary School are looking forward to an excellent year of teaching and learning and would like to advise families of the school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfill the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that Underbool Primary School can offer the best possible education and support for our students. On behalf of the staff, thank you for all your support, whether that's through fundraising or volunteering your time. This has made a significant difference to our school and the programs we can offer. This support has allowed us to;

- Continue to implement specialist programming across the whole school to further strengthen the delivery of the literacy and numeracy curriculum.
- Enhance digital learning opportunities through the purchase and upgrade of twelve new student laptop devices.
